# ABOUT US

“The mother art is Architecture, Without an Architecture of our own, we have no soul of our civilizations”

---

**ZIGAR KHAN & Associates** is a renowned conglomerate consultancy firm offering a whole spectrum of Engineering Architectural and implementation solutions with a rainbow of services. The group has earned an immaculate reputation globally for tailoring innovative solutions for diverse sectors, blending technology, form and functionality creating ergonomic, aesthetic buildings and infrastructure. ZIGAR KHAN & Associates have a wealth of experience of over 11 years, in a wide range of sectors in the global arena and a high degree of professional expertise to handle projects from concept to creation.

ZIGAR KHAN & ASSOCIATES have a dedicated team which aims at achieving excellence in every project they work on. The team is capable of creating customized design, implementation and other planning and construction solutions underscoring them with economy and environment friendliness, ensuring adherence to varying degrees of exacting standards. Is positioned as a ‘One stop solution’ for the entire business or construction project cycle from formulation of strategy, evaluation, planning & design to implementation and commissioning. Civil Engineering & Architecture, Infrastructure, Industrial Planning, Project Management Consultancy Services.

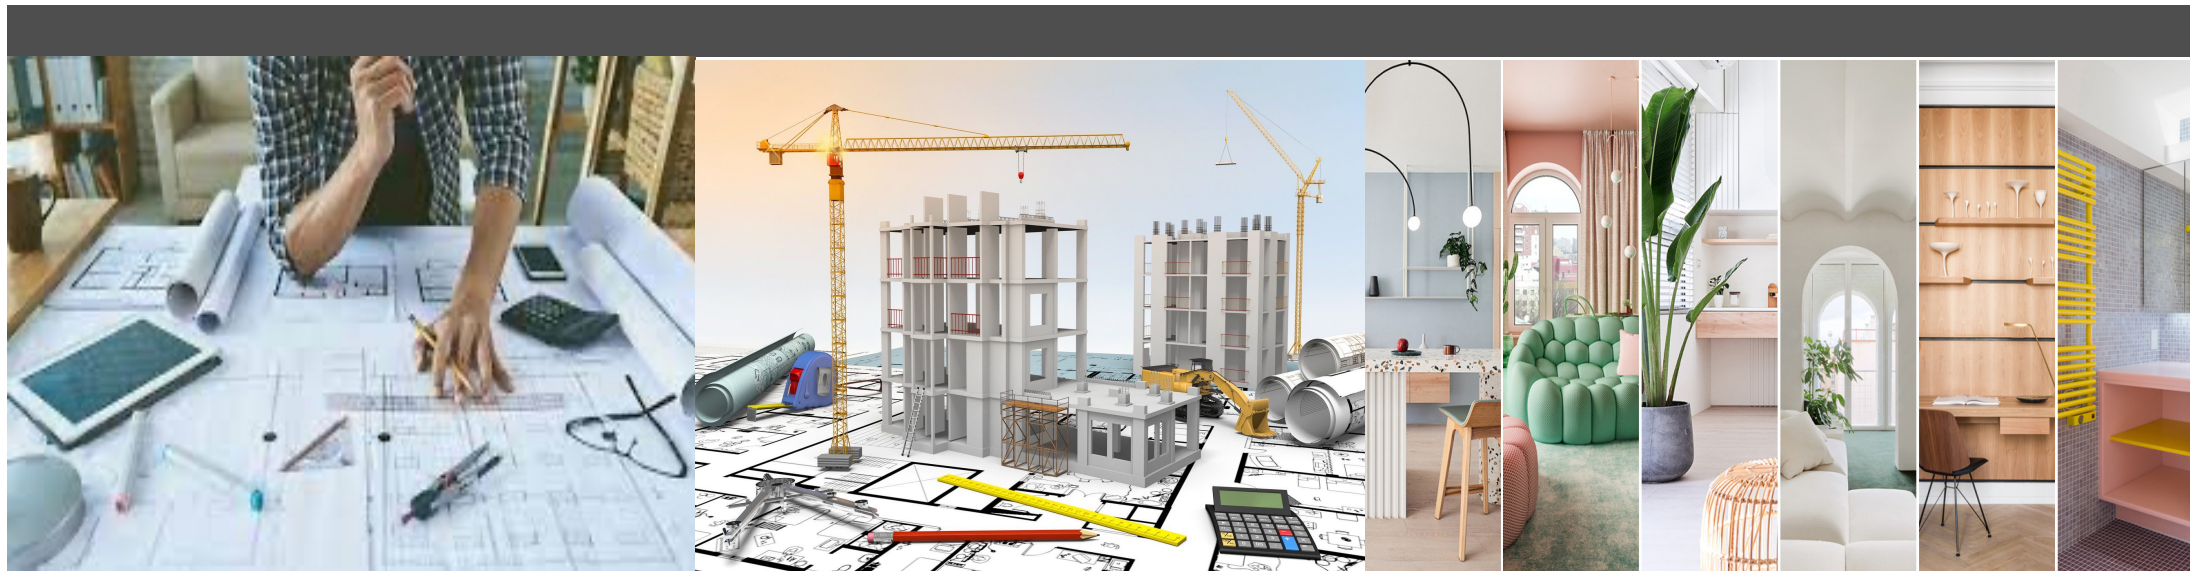

# WHO WE ARE

**ZIGAR KHAN & Associates** is one of the few Architectural firms registered with Pakistan Council of Architects and Town Planners.

Being a well-established Architectural & Engineering firm, with a very strong core team, gives us an edge over many others in the field of Architecture, Engineering and Planning as we incorporate our skills to not only to decorate a space but also enhance the spatial quality.

Our projects are known for their innovative design, comfort and user friendliness. Our aim is to use our imagination and creativity to help our clients realize their dreams. Our team is devoted to achieving highest standards of client satisfaction.

## OUR TEAM

Our Teamwork consistently exceeds our expectations. Our office and site team automatically schedules and assigns all the tasks working backwards from the date of the presentation. In our team we have highly qualified professionals, Technical Peoples and Helping Staff.

We are the following team of professionals:

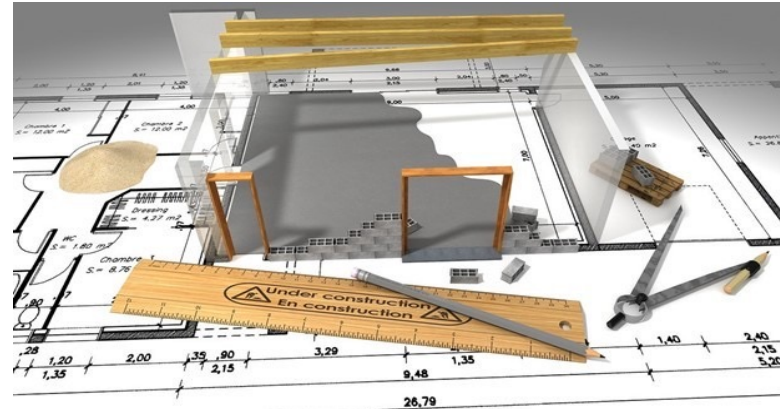

- ✓ Architects
- ✓ Town Planners
- ✓ Civil Engineers
- ✓ Interior Designers
- ✓ Electrical Engineers
- ✓ Mechanical Engineers
- ✓ Site Engineers
- ✓ Supervisors
- ✓ 3D Visualizers
- ✓ Model Making Artists
- ✓ Assistant Engineers
- ✓ Quantity Surveyors

# WHAT WE DO

---

We believe in a complete integrated approach. This approach has rewarded us a leading edge in the market and now we are among the few firms providing a whole range of architectural, structural, electrical, Interior and public health designing and

We had been serving clients who value design, yet have a definitive focus on return on investment. Our talented team begins by truly understanding your business goals. We then guide the process from your vision through construction to ensure a profitable result. We are well aware of the rapidly changing world of technology and changing lifestyles. In response, we use fully-automated and latest software for conceptual designing, Enhanced Computer Generated Model Presentation (ECGMP) which can give us and our client's full satisfaction.

# PORTFOLIO

**ZIGAR KHAN & Associates** has successfully completed various projects relating to almost all the fields of Engineering & Architecture Design that include Educational, Health, Institutes, Residences, Interiors, Religious, Colonies, Commercial Buildings and some urban level projects.

Since its inception i.e 2012, our firm has successfully designed more than 250 projects, which includes Bungalows, Residential Housing schemes, Commercial Buildings, Hospitals, School Buildings, Hotels, Factories and Parks.
